- [Universally Designed Homes – Case Studies](#), presented by Emory Baldwin, FabCab

Discussion

- Quarterly meetings: First “2nd Thursday” of each quarter, 9:30–11:30 a.m., Seattle Municipal Tower Room 1610 (actual dates: 1/10, 4/11, 7/11, 10/10)
 - Suggestions for meeting topics with universal appeal—for the entire year—are welcome.
 - Participants encouraged to share projects and skill sets.
 - Submit meeting ideas via listserv (NWUDC@talk2.seattle.gov); also a good place to share and discuss ideas (example: new UD features found in current magazines).
- Some UD features cost-prohibitive. More availability and better price when more people ask for them (example: audible prompts on appliances and fixtures).
