

You're Invited - Experience Universal Design

Hosted by the Northwest Universal Design Council, Monika Weiss - AFriendlyHouse.com,
and Tom Minty of John L. Scott

Barrier-free entries

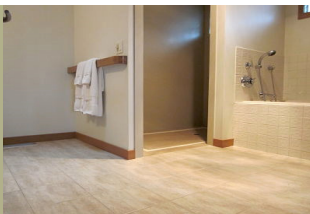

Barrier-free movement from entryway to living spaces to bathing; recessed carpet, elevator between floors.

Open floor plan

Large open floor plan of over 5600 square feet designed to take advantage of Puget Sound and Olympic Mountain views.

Age-ready details

Wide doorways, slip resistant floor tile, reinforced towel rack grab bars, roll-in showers, thermostatically controlled dials.

If a picture is worth a thousand words, a walk-through is worth a million pictures -

Come experience Universal Design for yourself!
